Customer Reviews

The best gift you can give to children is to invite them to learn about Jesus. Translated from the Gospels on a child's level of understanding, these stories can make an impact to last a lifetime.

I have 2 books in this series -- this one for grades 1 & 2 and the one for ages 4 & 5.The crafts are easy requiring nothing more than paper, scissors, and glue.The pages are perforated, so I removed, 3-hold punched them, and stored them in a binder.To reproduce pages, I make a copy, trim away instructions and other unneededink-consumers, and save the part I copy for the children in a sheet protectorin the notebook. I have many craft books for Sunday school, and this series is one ofthe best

Very satisfied.
