WHILTER .....	54
DOUBLE CORNER .....	55
IRREGULAR .....	56, 57
TRAPS, OR CATCHES .....	58-70
GAMES (ILLUSTRATED WITH DIAGRAMS) .....	71-86

MIDNIGHT ENCOUNTER In presenting this volume to the public, I do not consider an apology necessary for appearing the third time with a treatise on the beautiful and highly interesting game of checkers also known as draughts. The success with which my two previous works (designed mainly for advanced players) have been attended, has induced me to offer this little volume, which is more especially adapted to beginners. The Elementary Instructions will be found sufficiently simple for one and all to comprehend ; while the choice lot of original and selected Games and Positions. will enable all those who will make themselves thoroughly familiar with them, &Aacute;to lay out the whole army of book opposers."Having availed myself of everything pertaining to the game, deemed necessary for beginners, I commit the work to the public, hoping it will meet the expectations of those for whom it is designed.

## Book Information

File Size: 1899 KB

Print Length: 82 pages

Publication Date: August 14, 2013

Sold by:&Aacute; Digital Services LLC

Language: English

ASIN: B00EK7QTQ8

Text-to-Speech: Enabled

X-Ray: Not Enabled

Board Games > Checkers #26 in Books > Humor & Entertainment > Puzzles & Games >

Board Games > Checkers

## Customer Reviews

Looks like the author bought a program on how to make millions on Kindle by re-purposing public domain or out of print books. This book is little more than a pdf file copied from the internet and not even formatted for Kindle. The only difference I found is adding the new cover. As a result, no matter what screen size I use on my PC, it is not properly viewable because it is impossible to change font size like a properly formatted Kindle book. I got it for free, deleted it within minutes of trying to read it, and had the original copy a few minutes later after a brief Google search. The online version is in the PDF format and can at least be re-sized to make it any size needed. Even for free, it isn't worth downloading unless you use a magnifier to view your Kindle.

Could not read the book on my Kindle.....Print is very small. I contacted and they indicated a fix within 3 days...I have not received the fix.
