Seven Statements Of Survival: Conversations With Dance Professionals

Synopsis

Seven Statements of Survival: Conversations with Dance Professionals is a 21st century response to Selma Jeanne Cohen's landmark work, *The Modern Dance: Seven Statements of Belief*. The engaging interviews, conducted by editor Renata Celichowska with dance writer Deborah Jowitt, dancer-choreographer Carolyn Carlson, dance administrator Andrea Snyder, choreographer Garth Fagan, dance anthropologist Joann Keali'inohomoku, dance educator Bill Evans and dance librarian Madeleine Nichols, focus on personal anecdotes and explanations of career choices made by the interviewees. This collection of their stories in the challenging field of contemporary dance, told with humor, insight and, sometimes, regret aims to be both an inspirational resource for future dance professionals as well as a companion to the thousands of dedicated people of all ages who continue to serve the dance every beautiful, crazy, frustrating, wonderful day. --This text refers to the Hardcover edition.

Customer Reviews

My final recommendation is not a performance but a new book: "Seven Statements of Survival: Conversations with Dance Professionals," by Renata Celichowska (Dance & Movement Press, \$24.95). Books of this kind usually concentrate on interviews with dancers and choreographers, but in addition to Garth Fagan and Carolyn Carlson, Ms. Celichowska talks to the dance writer Deborah Jowitt; the dance administrator Andrea Snyder; and the dance anthropologist Joann Keali'inohomoku. The result is a fascinating glimpse into the way dance can affect and shape lives. -- The New York Times, January 13, 2008

Available in simultaneous trade paperback edition, \$12.95 --This text refers to the Hardcover edition.

This is a wonderful book. It brings dance to life.

Great work!
