Customer Reviews

If you want a great cookbook, this is the one to buy. I bought this on a trip to Seattle when I stayed at the Andra Hotel. Across the street was this small but inviting bakery. We bought breakfast sandwiches and they were great. The star of the show was the English Muffin for which I had to have the recipe. There in the store was the book. I bought it and this Christmas made just about every cookie in the book. All I can say is that every cookie turned out fabulous. The "Nora Ephron" cookie is worth the price of the book alone. Oh, and the English Muffins, they are stupendous. I am making my second batch as I write this. If you like to bake, please pick up this book. It would also make a great gift.
