My Catholic Faith! (My Catholic Life! Series) (Volume 1)

Synopsis

Common to people of every time and place is a longing for the truth. We want to know! We want to know the purpose of our life, why we are here on earth, where we came from, whether there is a God, who this God is, whether there is an afterlife, and so much more! These most basic and fundamental questions are hopefully in the forefront of our minds. And if they are not, it's never too late to start! This book offers some of the answers to these questions. It offers the answers found in our Creed. At first, the Creed can seem dry and unimpressive. It can even seem confusing and overly academic. But when properly understood, the Creed holds the answer to the questions we so deeply seek. About this Series: The My Catholic Life! series is a three volume series written as a complete summary of our glorious Catholic faith! The goal of these books is to answer the difficult and deep questions of life in a clear and understandable way. We need to know who we are and what life is all about. And we need to know who God is and what He has spoke to us through the ages. Volume One, My Catholic Faith! is a summary of the Apostles and Nicene Creed. This volume looks at everything from the creation of the world to God's eternal plan of salvation. Other topics include: Afterlife, saints, God, faith, and the Church. It is a summary of the teaching of the Catechism of the Catholic Church # 1-1065. Volume Two, My Catholic Worship! is a summary of the life of grace found in prayer and the Sacraments. So often the Sacraments can be seen as dry and empty rituals. But they are, in reality, the greatest treasures we have! They are God's true presence among us! It is a summary of the Catechism of the Catholic Church #1066-1684 and #2558-2865. Volume Three, My Catholic Morals! is a summary of the morality itself, knowing how we choose right from wrong, as well as a summary of all the moral teachings of our faith. It is a summary of the Catechism of the Catholic Church #1691-2557.

By John Paul Thomas “John Paul Thomas” is the pen name of a diocesan priest who picked this name in honor of the apostles Saints John and Thomas and the great evangelist Saint Paul. This name also evokes the memory of the great Pope Saint John Paul II. John is the beloved apostle who sought out a deeply personal and intimate relationship with his Savior. Hopefully the writings in this book point us all to a deeply personal and intimate relationship with our God. May John be a model of this intimacy and love. Thomas is also a beloved apostle and close friend of Jesus but is well known for his lack of faith in Jesus’ resurrection. Though he ultimately entered into a profound faith crying out, “my Lord and my God,” he is given to us as a model of our own weakness of faith. Thomas should inspire us to always return to faith when we realize we have doubted. As a Pharisee, Paul severely persecuted the early Christian Church. However, after going through a powerful conversion, he went on to become the great evangelist to the gentiles, founding many new communities of believers and writing many letters contained in Sacred Scripture. His letters are deeply personal and reveal a shepherd’s heart. He is a model for all as we seek to embrace our calling to spread the Gospel.

This book is beautiful!!! It reminds everyone so clearly why the Catholic Faith itself is so beautiful! Read it! Read it to your kids! Give it to an RCIA candidate or confirmand or anyone who has questions about the Catholic faith. The text is written in conversational style which makes it easy and NOT too scary and overwhelming even for a beginner in the Faith to read, yet the clarity and truth expressed will be a helpful review even for the "seasoned" Catholic. Wonderful!!!

I am new to the Catholic religion. Making the decision to join the church with my husband. This book helped me to understand more of the Catholic ways. I have always prayed to God and read my Bible, but I have never been a member of a church. Again, this book brought somethings to light for me. I will be reading the other books in this series.

This book is well written and inspirational. Every Catholic should take a little time and read it. I

sometimes just need a boost in what I am considering or doing with my life at the moment. Sometimes I question my religion. Sometimes I think maybe I'm not on track. This is the book for those people who think like I do sometimes. It was what I was looking for when I needed it. I am grateful to the author!

Really enjoyed it

Perfect

It's a very nice book especially if u are are seeking God in a deeper level... at must read to everyone, actually I encourage my husband to read the book as well to have a more deeper relationship with god.

It was a good refresher series

A must read for anyone looking to gain a deeper understanding of the faith. Utilizing logical deduction and analogy, John Paul Thomas successfully explains and supports many of the more mysterious and complicated dogmas of the Church.
