Customer Reviews

Beautiful fantastically-themed art that we will enjoy throughout the next 12 months during 2017.

Bonus of this particular calendar are the nice big boxes on the calendar/day pages. I've had some calendars in the past few years where the text boxes are too small to write much of anything. This calendar has easy-to-read numbers in the "day boxes" and plenty of space to write an appointment time and reminder.

I love Jacek Yerka, so for me there was no way this product couldn't be anything but great.

Wow. I can't believe they even had the nerve to send this. It looked like it had been in a rainstorm and then dried out. On top of that, it was bent and parts of the edges were ripped. The calendar would have been okay had it been undamaged. The graphics were not as colorful as I had expected. The seller should be ashamed of him(her)self!

Really neat! I wanted something other than nature that I wouldn't mind looking at for a month at a time. I also like that I can't see the writings on the next picture when I flip it. Big win!

Amazing

THANK YOU !

Got this for my husband and he couldn't be more pleased. Very nice selection of pictures.
