Prince Edward Island (Destination)

Synopsis

The landscape of Canada's smallest province, Prince Edward Island, conjures up an abundance of distinct imagery and impressions: colourfully pattered potato fields, the familiar adornments of Green Gables, and well-worn red clay roads that twist through this crescent-shaped island, all leading to the ubiquitous sea.

Customer Reviews

"On the whole this [is] a very elegant production of which the photographers and the author can be proud. Perhaps the ultimate judgment of this book can be contained in this question: Is this an impression of the Island that I would want curious and intelligent visitors to take away with them? For me the answer is yes." Atlantic Provinces Book Review "The rich heritage that is Prince Edward Island's history and its way of life is portrayed in word and picture." Canadian Collector "Francis W.P. Bolger, Wayne Barrett, and Anne MacKay combine writing and photographic talents to create a masterpiece." Atlantic Advocate "...an intellectually and aesthetically appealing artifact... This is far more than another coffee-table item, and I heartily recommend it for both personal and academic consideration." Canadian Materials --This text refers to an out of print or unavailable edition of this title.

Wayne Barrett and Anne MacKay have previously worked together on Kings Landing, St John River Valley, Spirit of Place, and Prince Edward Island Francis W.P. Bolger has edited Spirit of Place
