Nicaragua 1:700,000 & El Salvador 1:250,000 Travel Map With City Plans, Waterproof ITMB

Synopsis

Nicaragua 1:700,000 & El Salvador 1:250,000 Travel Map with city plans, waterproof ITMB This map is double-sided to provide the best balance between a good scale and a convenient sheet size (99 x 69 cm / 39 x 27 in), with topographic and tourist information. It is waterproof and tear-resistant, durable enough to survive time spent in the rucksack, pocket or on a restaurant table, an excellent map for humid climate of Central America. The map features Nicaragua at 1:700,000 and El Salvador at 1:250,000 plus street plans of central Managua, Leon, San Juan del Sur and San Salvador 1:45,000. Each country is presented on one side of the map with an index and the relevant street plans. Coverage of Nicaragua also includes insets with Isla de Ometepe (1:180,000) plus the Bid and the Little Corn (Maiz) Islands (1:70,000). Topography is shown by altitude colouring, in feet in Nicaragua and in metres in El Salvador, with names of mountain ranges, peaks, etc. National parks and other protected areas are prominently marked. Road network highlights the course of the Pan-American Highway, includes selected local roads, and gives distances on main routes. Railway lines are shown and domestic airports are marked. The maps also show internal administrative boundaries with names of the provinces. Street plans are annotated with selected accommodation and other facilities, sights, and in the two capitals, main foreign embassies. Symbols highlight various places of interest, including campsites, historical sites, etc. Each map has a latitude and longitude lines at intervals of 30'.
