Klaus Barbie, The Butcher Of Lyons

Synopsis

Nikolaus 'Klaus' Barbie was an SS-Hauptsturmführer (rank approximately equivalent to army captain), Gestapo member and war criminal. He was known as the Butcher of Lyon. The story of infamous Nazi Klaus Barbie is both a thriller and a tragedy, especially when reflecting on the victims (Jews and Resistants) that suffered under his jurisdiction (and often by his own hands). This book, written by an established journalist and producer in this field of history, chronicles the life of Barbie, from his birth in 1913 to his capture and return to France in 1983 to face justice.

Book Information

Hardcover: 255 pages

Publisher: Pantheon Books (March 1984)

When US & British decided to use Barbie it was a miscarriage of justice because it shielded Barbie from the justice he should have gotten. The German govt was equally bad in refusing to extradite Nazis to France to stand trial. The hardest thing to understand is why the Allies allowed the

Germans to appoint a prominent SS Nazi leader as first German Chancellor after the war. Discussing. The book is great in tracking the path of Barbie from Europe to Italy, to Bolivia, to Peru, and back to Bolivia. I know the book is accurate because I have a long time friend who once was introduced to Barbie at a party in Peru.

Solid review of another evil person-and of Vichy.
