The Great South American Eclipse Travel Guide For July 2, 2019: How To Watch The Total Solar Eclipse In Chile, Argentina Or The South Pacific In 2019 (WhenIsTheNextEclipse.com)

Synopsis

Brought to you by WhenIsTheNextEclipse.com A Total Solar Eclipse is coming to Chile, Argentina & the South Pacific on July 2, 2019! You want to see totality from near the giant astronomical telescopes of the Elqui Valley in Chile? How about from a ranch in The Pampas in Argentina, or from near Rosario or the capital city, Buenos Aires? Or perhaps a luxury cruise around the South Pacific? This ebook tracks the locations, the travel options, , the science and the eclipse-chasing tactics you need to know for this Total Solar Eclipse. Includes hundreds of links to organized and bookable tours, Google Maps, extensive research, and expert contributions from experts on both South America and eclipse-chasing. Where will you be for the Great South American Eclipse on July 2, 2019?

Customer Reviews

Winter hard to find cloud free eclipse viewing. Good discussion of weather across eclipse path. Also discussion of future eclipses.

Good explanation of eclipses and the various types and why they exist. Also good presentation of possible places to see this one but missing any kind of in depth examination of how weather may affect these locals. It will be winter, after all . No mention of the persistent marine layer , for instance. Finally, some pages are missing from the Kindle version, nothing critical but disconcerting to be interrupted in the middle of a sentence.
