The Third Reich : The Euthanasia Programme - Murder Of The Most Vulnerable

Synopsis

Because sometimes our brains just need to nibble ...Adolf Hitler had a horror of mental illness and physical deformity. With his order for the enforced killing of the mentally or physically disabled, he aimed to cleanse the German people of all physical and racial impurities. Action T4 was often referred to as a programme of "euthanasia", implying that the victims wished to be put to death to end their suffering, but that was far from the truth. Read about the shameful Nazi murders of the most vulnerable in this Quik eBook.
