cute little book

If you're a writer and want to jot ideas down, or want to keep track of things when you're out and about, this little book is perfect. It's loaded with pictures and you write your thoughts, ideas, etc. right on the pictures. The pictures include brick walls, a moving truck with blank side panels, house and building exteriors, sheds, and more. Bonuses: 1) if you run out of ideas, the pictures may inspire you; 2) you're carrying around an artsy book which you'll be proud to have with you (instead of a boring note book). You can put it in your jean pockets.
