Customer Reviews

Borch, a cartographic publishing company from Germany, makes tough, long-lasting maps with non-toxic, environmentally responsible lamination material.

Great map. Easy to find things.

Haven't used it yet, but it looks great!

Well made and nicely laminated. Print is a bit small but my 'cheaters' make it workable.

Preparing my trip to Amsterdam and wanted a good map to help us find our way around. This fit the bill, exactly what I was looking for. Love that I can write on it and it is waterproof, will not tear like paper maps.

Very handy map. Just the right size: large enough for details but not so large that you don't want to carry it with you. Helpful that it is laminated.

Love Borch Maps! We've used various destinations on several trips & they've always been extremely easy to read with points of interest highlighted, perfect size when folded & unfolded and extremely durable.

Will work great

GREAT QUALITY AND SUPER SERVICE!
