## Customer Reviews

I love all of Buford Perry's books! As someone who has spent considerable time in the Philippines myself, I can't stop laughing as he nails insight after insight about this crazy place we love :)

I've settled in Thailand, but this album along with Buford's other books make me want to check out the Philippines! Hope he writes some more? Interesting and enjoyable read. Nice pictures too!

Good info for my trip coming up. After seeing all that sea life I might move there for awhile. Cheers
