Customer Reviews

Great bookmarks at a great price. Very colorful. A wonderful help in learning the order of the books of the Bible. (Although reading the Bible is the best way) :0) My seven-year-old daughter even gave one to our Pastor.

I received these quickly. I really liked the layout. I have given several of them away. I use mine as a quick concordance no matter where I am in the Bible.

I gave it a 3 because it's a book marker for a bible and I thought they would be the size of a standard size bible page; I was wrong. If a 6" bible marker is what you're looking for, this is for you.

These are very handy when children are looking up scriptures in the Bible. I bought these for Vacation Bible School and again for Sunday School. Seller was prompt and product in perfect shape.

These bookmarks are perfect for handing out in Sunday School or Bible Club, a good visual aid for teaching kids to memorize the books of the Bible or at least find them quickly. The colors are lovely purples and blues (appropriate for boys or girls), and the books of the Bible are neatly listed and

easy to read. I can read the print easily with my reading glasses, so the size would be just fine for younger eyes. The back is plain white, so you could write a short note or put someone's name on it. The cardboard is plenty sturdy, and I feel the price is very reasonable for this package of 25.

I like using these for my bookmarks. It gives me the books of the bible at my hand. 25 count means I can use one in each book I'm reading. Reasonable price

I love these! I have probably bought 10 or more packages. Great product at a great price. I highly recommend!

I passed theses out at BibleStudy, everyone has enjoyed using these bookmarks.
