I have been a fan of Boris Vallejo (as well as Julie Bell later) for many years. I have purchased numerous volumes of their books and calendars over the years. I just received the 2017 Fantasy Calendar (by Boris Vallejo and Julie Bell) and love it. I purchased this on for a fair price.The 12 month series covers mythical creatures, exotic landscapes and of course strong and sensual

women warriors. What I love about these two fantasy art geniuses is how their beautiful drawings are so vivid and realistic looking, transporting oneÃ¢Â Â™s imagination to strange exotic worlds. I have been involved in numerous combative and warrior arts all my life and I have always had a passion for strong warrior women. Boris and Julie are the best in their field when it comes to drawing warrior women and fantasy art.These fantasy art prints are so beautiful that they can also be framed after using the calendar. If you are into fantasy art you will love this 2017 by Boris Vallejo and Julie Bell.Rating: 5 Stars. Joseph J. Truncale (Author: Tactical Principles of the most effective combative systems).

Wish it was just Boris. No offense to Julie who is talented...its just that I LOVE Boris, he is AMAZING, has masterful technique on physique and fabulous imagination. Boris we love you!!! Been getting it every year forever but Julie's girl lounging with tiger or pointing is not compelling, half the calendar is not desired.

Every year we purchase this calendar for my husband's office and I have to say the art never disappoints! Lovely fantasy art scenes!

I've ordered one of these calendars for my son's birthday for as long as I can remember - long before Boris Vallejo teamed up with Julie Bell. My son and fell in love with Mr. Vallejo after enjoying the artwork he did for the book series about the mythical land of Gor. I'm not as fond of the artwork since he and Bell teamed up but it's still stunning. The calendar quality is a good way to enjoy the work of these fine artists!

These calenders are so magical and artistically creative. My boyfriend has loved these calenders for years.

I get these every year, I hope they never stop making them!

I like it. Not so much the theme but the art is nice.

Another addition to our son's Vallejo collection.
