Customer Reviews

This book arrived from seller quickly, great condition exactly as described. Came with CD and have been able to start learning a new hobby that I've always wanted to try. Easy to pick up and just start playing even with a busy schedule. I've played instruments before but always had difficulty reading music, but with their way of teaching I seem to be picking it up quickly.

Arrived as described. Quick service.

Great book and price. Thanks

great.
