Frozen: Anna & Elsa: Phantoms Of Arendelle: An Original Chapter Book (Disney Junior Novel (ebook))

Synopsis

To distract Elsa from a gala being planned in her honor, Anna fills her schedule with fun bonding activities. But what starts as a distraction turns into an adventure when they find a secret door leading to passageways within the castle walls—and the door locks behind them, trapping them inside! Then, as they explore the narrow passages and sealed-off rooms, looking for an exit, spooky things start to happen. Echoing laughter, mysterious patches of cold air, odd arrangements of clothes and furniture...what could be causing all these strange events? With Elsa's powers and Anna's ingenuity on their side, they're more than a match for whatever they find—if they can just find it in time! Packed with humor and heart, *Phantoms of Arendelle* will keep readers guessing right up until the last page.

Customer Reviews

Purchased this for my daughter to read. I have no clue if it's good or not.

A very cute story of mystery! Great to read about Elsa and Anna's adventures. This will be fun

reading for everyone who loves these characters.

Good story, needs to be released in hardcover.

I read this to my 6 year grand-daughter. We laughed and talked about what might be happening next. I helped her as she read some of the book to me also. A really good time!

Super cute, and well in canon. Writer stayed true to the world of Arendelle.

Very good reading. Entertaining for kids. Has ghosts so end bedtime reading with another book if your kids easily scared :)

I bought this for my 7 year old granddaughter to read to herself? She enjoyed it then I read the last 1/2 with her which she really liked.

My 5 year old granddaughter has watched this about a zillion times and will probably watch it a couple zillion more times.
