Customer Reviews

The recipient could not wait to get started with this read!

Bought this as a retirement gift for a coworker. He loved it!

Gave this as a gift to a confused retiree who was looking for ideas on what to do. It had some good

ideas, some ok and some blahs but overall a good collection. Yes its all Google-able but having a physical list for nap time works. Good as gift for intending retirees.

gift for my sister who was retiring at 55. who can retire that early?

Great Father's Day gift for my newly retired father.

Funny but good information!

My mom loved this book!

Sorry but not real funny. Just the usual stories you hear over the years. Sorry to report.
