# Used For Their Pleasure (Victorian Historical Erotica)

## Synopsis

I became their plaything. Night after night, they did whatever they liked to me and had me do whatever they wanted to them. I enjoyed my position as lady's maid to the Duchess, but it seemed my mistress was less than thrilled by her own role as bed partner to the Duke. She insisted I take over her marital duties, and used her power as my employer to persuade me to take on the task. I found the Duke commanded obedience, and before the night was out, my innocent eyes were well and truly opened to the pleasures of serving him and his wife without question. But in time, my obedience and humiliation at their hands were not enough for the Duke. He wanted to show me off to others of their acquaintance... This is a sizzling hot short story of 9,000 words unsuitable for those under 18
