Beth Moore is a Bible teacher and author of best-selling Bible studies and books for women. She is the founder of Living Proof Ministries and speaker at Living Proof Live events across the nation. Bethâ™s mission is to guide women everywhere into a richer, more fulfilling relationship with Jesus.

Beth Moore studies are intense, and this one is no exception. When you finish a Beth Moore study, either alone or in a group setting, you've done homework. You've spent time in introspection and prayer. And at the end of the journey, you glance back and try to understand how you came such a long way so quickly. Of course, while you're in the middle of a Beth Moore study, you don't feel like it's passing quickly - but at the end of the study, you're sad it's over. I'm so glad she introduced me to Paul and Timothy and helped me understand their spiritual father/son relationship. Even more importantly, I look forward to finding my own spiritual daughter, and pray that I can do my part in her growth (and, as a result, my own) as I am called to do. This is a highly rewarding Bible study and I'm deeply grateful to Beth Moore and to the Sisters with whom I journeyed through its pages.

I learned a great deal in this study as I usually do in Beth Moore's Bible study, but I will say it is homework heavy. Very intense, but worth it.

Great study and love her personal testimony on week 4! You go girl!!!

A great study for me as a Mom of teenagers. Helps me to focus on why I am here outside of being the parent. It brought so much to the front of my mind and filled my heart with desire to walk in His will. I walked thru hard times during this sturdy. But God knew that before I selected it. It was perfection in focus and timing. I hope it will be for you too. Be sure to watch her sessions on video with it too. She's an awesome speaker and hits the hearts of her audience.

Goes with the audio CD's or DVD's, and makes a GREAT study.

One of the best Bible studies I've ever done!
