Surveying: Theory And Practice

Synopsis

This updated edition contains the same breadth and depth as previous editions with pertinent chapter topics divided into two parts. Part A covers elementary topics and Part B covers advanced topics. This innovative design, coupled with the most recent developments in technology, complements first- and second-level courses in surveying without losing its value as a reference textbook.

Book Information

Hardcover: 1200 pages

Publisher: McGraw-Hill Education; 7 edition (October 1, 1997)

Language: English

ISBN-10: 0070159149

ISBN-13: 978-0070159143

Product Dimensions: 7.5 x 1.9 x 9.3 inches

Average Customer Review: 4.8 out of 5 stars 11 customer reviews

Best Sellers Rank: #674,802 in Books (See Top 100 in Books) #79 in [Books > Engineering & Transportation > Engineering > Civil & Environmental > Surveying & Photogrammetry](#) #556 in [Books > Textbooks > Social Sciences > Archaeology](#) #681 in [Books > Textbooks > Engineering > Civil Engineering](#)

Customer Reviews

I purchased this book for a class while I was in college, I didn't use it very much for the class and I refused to sell it back after the class was over because I couldn't get back anywhere near what I paid for it, this turned out to be the best decision I ever made, because now that I'm working as an engineer I use this book very often as a reference when trying to decipher the surveying notes taken in the field.

EXCELLENT

As described. Fast delivery

It was just what I expected. Delivery run very well and I received the book much earlier than it was announced. The book, despite used, was in very good conditions and I found it very interesting and

useful for my professional life.

Awesome monster book on surveying.

great purchase, will absolutely buy again from seller!!!

Book got here fast and was new even though listed as used. Terrible boring book but its a textbook. when this semester is over if someone wants this for around 40\$ contact me and its yours

I'm fully satisfied with this purchase.
