Great gift!

Gifts for grand daughter

My son is obsessed with this book. He is 7 years old and loves doing these on his own or with me. The book is divided into chapters "animals" "school" etc and also has other fun activities within the crossword puzzles. Often there are extra words or the shape of the words you find spell another word. This has been fantastic to have during trips and to otherwise keep him entertained. Highly recommend!

Great activity book, recommended for reading and writing children, and even some adults.

kids are still working on it

My daughter got this from Santa, and she loves it! She is 7 years old, and while some of the puzzles and activities seem easy, she doesn't ever get bored! Cute!Ã¢Â¢Â¢

My granddaughter likes working in my word search books. Thought it was time for her to have her own. She is 7. She loves this. Great way for kids to learn new words and how to spell them. She often asks me what different words mean. Great fun and great learning all in one!!!!

My 6 year old loves this! There are a variety of puzzles that are keeping him busy on a road trip!
