Tictionary: A Reference Guide To The World Of Tourette Syndrome, Asperger Syndrome, Attention Deficit Hyperactivity Disorder And Obsessive Compulsive Disorder For Parents And Professionals

Synopsis

This unique A-Z resource guide is for anyone needing information and common-sense strategies as they deal with the neurological disorders of Tourette Syndrome, Asperger Syndrome, attention deficit hyperactivity disorder and obsessive compulsive disorder. Written from both a parent and an educator's perspective, the guide offers insights into the world of the children and families who deal with these disorders through factual information interspersed with both funny and sad stories.

Helpful handouts and fact sheets, ready to be copied with the publisher's permission, are customized for the bus driver, general education teacher, counselor and other school staff, in addition to the family physician, dentist, Scout and other leisure time leaders, family members and others.

Customer Reviews

Don't worry about having to dust off this book. Tictionary will quickly become one of your most used resources. -- Cheryl McLaughlin, School Counselor
This book includes the information we need to help our children become successful. Finally, everything we need in one book! -- Terry Mantia, Parent
This book is a wonderful and helpful resource for parents, educators and other professionals. --Susan Conners, Education Specialist, Tourette Syndrome Association, Inc.

Becky Ottinger, B.A., Ed., is the executive director and education consultant for the Joshua Center

and Family Development Center. Prior to founding the Joshua Center, Becky taught kindergarten and second grade in an environmental science magnet school for the Kansas City Missouri School District. The Joshua Center is named after Becky's son, Joshua Oliver, who has TS, ADHD and OCD.

I bought this book as my son has TS, OCD, ADHD and autism. This book has given me good answers and good advice. I recommend this book all the way :)
