Customer Reviews

"A fast-moving plot and relatable protagonist make this stand-alone sequel a good choice for boys who, like Derek, would rather reach for a TV remote or game controller than a book." *School Library Journal* "Fans of the first will be utterly delighted by this sequel and anxious to see what Jake will turn up as next." *BCCB* "This is a great package for kids, especially those like Derek who don't think they like to read." *Booklist* "Another fun, emotionally resonant read for the Wimpy Kid set and beyond." *Kirkus Reviews* "Will thrill young readers." *Children's Literature*

Janet Tashjian is the author of many popular novels including *My Life as a Book*; *Larry and the Meaning of Life*; *Vote for Larry*; *The Gospel According to Larry*; *Fault Line*; *Multiple Choice*; and *Tru Confessions*. She lives with her family in Los Angeles, California. Jake Tashjian has been drawing pictures of his vocabulary words on index cards since he was a kid. He now has a stack of index cards taller than a house.

My 10 year old son was never one who liked to read..we did start with *Captain Underpants*, *Diary of A Wimpy kid* and a few others and we're stuck finding another chapter book series. He started reading these at school and loves them . Even I enjoy reading them with him. Would definitely recommend

My daughter loves this series. She highly recommends reading all of them. She thinks it is very cool that it is a mother/son collaboration between the writing and illustration. The book store in our area didn't have it on the shelf so we stood there and ordered the Kindle version from inside the store. She had the book finished the next day! Great job Janet Tashjian and thanks !

Absolutely love these books by Janet Tashjian. My son had to read a book that was nominated for the Nutmeg book award for Summer reading homework and he couldn't find one that sounded interesting so I saw *My Life as a Book* and had him read that - we both loved it! When I saw *My Life as a Stunt boy* was available I couldn't wait to get it and we weren't disappointed at all. It's a good book, it flows well and keeps your interest. We will definitely read the rest in the series.

my son read this book in a few days and could not put it down. he's 9 and reads on and slightly above grade level. he's a hard one to please with finding books, but THIS book and those by this author were total entertainment. the pictures are fun. the notes and doodles are fun. the book is just a good, fun book for 9 year old boy in the 4th grade!

my son enjoyed the book

Terrific book in a terrific series. Strong vocabulary, and wonderful lessons taught through a delightful story. The perfect series for a reluctant reader!

I loved the thrill and excitement in the action, plus, any comedian would love the bloopers, any illustrator would love the sketches, and any author would love the bold details, strong vocabulary, trauma, and excitement throughout the whole book!!!!englisherika@hotmail

My 10 year-old thought it would be a boring book (he is into the Diary of the Wimpy kid) and started My life as a Stuntboy 2 days ago and actually enjoy it now he wants more of My life as..
