# The Secret Of Secrets (Golden Palm Series)

## Synopsis

An interpretative translation by Shaykh Tosun Bayrak of Sirr al-Asrar by Hadrat Abd al-Qadir al-Jilani (1077-1166AD), considered by many to be one of the greatest saints of Islam and the eponymous founder of the Qadiriyya order. This book, appearing in English for the first time, contains the very essence of Sufism, giving a Sufi explanation of how the outward practises of Islam—prayer, fasting, almsgiving and pilgrimage—contain a wealth of inner dimension which must be discovered and enjoyed if external actions are to be performed in a manner pleasing to God. When this is achieved the soul finds true peace and the spiritual life becomes complete.

"A valuable contribution to the field...clearly and elegantly presented, accessible." -- Journal of Islamic Studies  
"An admirable job in presenting not only a translation but a lucid interpretation of one of Jilani's most important works." -- Gnosis

Abd al-Qadir al-Jilani, born near the Caspian Sea, was the son of the great saint Fatima bint ABook Descriptionullah al-Sawma'i. After a period of intense intellectual and mystical training he received the khirqa (robe of initiation) and was soon recognised as a saint and scholar, consulted, loved and revered by caliph and pauper alike. As one of the most venerated figures in Sufism his burial place in Baghdad still attracts numerous visitors from many countries.

This is not my belief system but it presents the system well. I purchased it to assist me in learning more about the religious beliefs in order to help me understand the thoughts of the followers. The author, though, presents only a narrowly focused view which made it a difficult read but, that in itself, helped me understand the energy behind the belief system.

The book is a treasure. It contains all the wisdom of such a person who understands human beings and its deficiencies. It clearly demonstrate the path to be adopted to better ourselves and thus have a better insight into our unity with Allah (SWT).

There are chapters in here that can speak to the 21st century seeker like they are written today and yet it is from over 600 years ago. Wonderfully translated and easy read for such a deep teacher. Highly recommend for someone wanting to read the writings of a true sufi.

This book should be in the spiritual library of every open-minded pure-hearted person who is seeking greater understanding of the universal journey.

The book is perfect for those seeking. I hope everyone gets the depth that I have experienced through his words.

Highly recommended; I've recently ordered al-Jilani's "Revelations of the Unseen".

excellent book by a great saint

I liked it
