My Hero Academia, Vol. 3

Synopsis

What would the world be like if 80 percent of the population manifested superpowers called Quirks? Heroes and villains would be battling it out everywhere! Being a hero would mean learning to use your power, but where would you go to study? The Hero Academy of course! But what would you do if you were one of the 20 percent who were born Quirkless? A sinister group of villains has attacked the first-year U.A. students, but their real target is All Might. It's all that Midoriya and his classmates can do to hold them off until reinforcements arrive. All Might joins the battle to protect the kids, but as his power runs out he may be forced into an extremely dangerous bluff!

Customer Reviews

Kohei Horikoshi was born in Aichi, Japan, in 1986. He received a Tezuka Award Honorable Mention in 2006, and after publishing several short stories in Akamaru Jump, his first serialized work in Weekly Shonen Jump was Oomagadoki Doubutsuen in 2010. My Hero Academia is his third series in Weekly Shonen Jump.

I like this series. My biggest beef is that deku doesn't really use a lot of his powers in this volume. Sure, he uses his brain to come up with a great strategy. Maybe that's the point, but a whole volume and one full action arc still is unwinding reminds me that this is indeed a shonen manga. The character development is real as opposed to contrived by allies saying deku improved (I hate when

a manga does that). This will be a good read, pick it up to finish the amusement park arc, but be aware another arc is just beginning.

Pretty great! I really am enjoying this series, i only wish it would have more frequent releases. Seriously one of the best shounen mangas i've experienced in a long long time.

Very pleased with my purchase! I'm obsessed and in love with this series! Super fun to read along with the new episodes as they roll out each week.

Saw the cartoon Now I have the manga's.

I'm a big fan of My Hero Academia, and I'm glad that the third volume comes out. Every chapter gets really exciting and it always keeps me hanging of what happens next. There's a good reason why it's selling so good in Japan. Also the anime comes out in April. People the hype is real!!

Once again, this is a fantastic story. Introduces a lot of new characters this volume from the other classes.

Another good read. Enter the villains!

My son loves this book series!
