My husband and I were in Ohio's Amish Country recently and I purchased two of your new little Tiny Tips books. They are so darling! I purchased Tiny Tips for the Kitchen for my next-door neighbor as a gift...she is a real "homebody" who loves to bake and cook, as do I. I bought Tiny Tips for a Cozy Home for my aunt...she is in her late 70's and already has a very cozy home, but she will also love the book! Thanks so much for such cute little books...they make wonderful gifts. Gail Fleenor Sagamore Hills, OH I just wanted to tell you that I made the Carrot Cake Jam from your Christmas Book 12 and won a blue first-place ribbon at our county fair! I added some raisins as my own touch...it was the best homemade jam I have ever eaten. I will use this jam for filling in my three-layer spice cake to take to my daughter's for Thanksgiving. Thank you again, Gooseberry Patch! Tonidee Coates Ellensburg, WA I love cookbooks and have bought tons of them. But often you really cannot afford to make most of the recipes in them. Until yours...I absolutely love it! I bought your Big Book of Home Cooking, was reading some of the recipes to my mom, and had to say, Wow! I went back and bought five more copies for my best friends for Christmas, plus one more for a bride-to-be! I am just amazed...it is like having my grandma, my aunt and my mom all in one cookbook. Thank you! Deirdre SivilsTuttle, OK

I have a tradition of purchasing cook books for my mom for holidays and celebrations. I purchased this one for her this year for Thanksgiving. I don't usually get her a gift for Thanksgiving but I wanted to this year since most of us are now out of the house and on our own. She loved it and we made a few of the recipes for Thanksgiving dinner. Definitely a favorite!

I love Gooseberry Patch, so this cook book was a must have to add to my collection. And I was not disappointed! Awesome cook book with wonderful ideas, memories, and delicious recipe's that are very easy and I normally have all the fixings on hand already. Enjoy!
