Megan Meets The Neighbours: Swingers Hotwife First Time Erotica

Synopsis

34 year old, Megan Wilson's life is turned upside down when she attends one of her neighbours ladies only parties and is introduced to lesbian group sex. For days after, Megan is upset with what she did at the party and struggles with her inner feelings and the guilt as she tries her hardest to hide her filthy secret from her loving husband, William. Finally, she gives in, confessing everything to him and encouraging him to join her at the next party where everyone swaps partners. Megan soon becomes obsessed with her new lifestyle and thinks of a way of getting her young step-sister, Eleanor to join the fun in this hardcore erotica NOT suitable for the faint-hearted! This book contains adult taboo themes, wife swapping, lesbian sex, strong language, and explicit sexual content not intended for those under the age of eighteen.
