The Coralee Chronicles: The Girl In The Pink Bikini Series

Synopsis

Clean Teen Romance
The Coralee Chronicles (the complete series)
Book 1 - THE GIRL IN THE PINK BIKINI
The best way Coralee Pirtle can think of to be noticed by Roger Keen, is to show up at the big pool party in the right suit. Problem is, she doesn't own one and hasn't a dime to her name. Easily solved ... she's'll get a job. Working alongside Roman Avery at the local hardware store isn't exactly what she had in mind, but how hard can it be? Two weeks, one paycheck, and she's set. However, plans change, and the more time goes by, the less appealing Roger seems, and the more Roman Avery becomes the man of her dreams.
Book 2 - THE BRIDE WORE BLUE SNEAKERS
Coralee Pirtle's perfect world changed the day her boyfriend, Roman Avery, hired a girl to work at the hardware store. He says he wants to open on weekends and increase sales. But what if that isn't his only reason? What if he hired the girl because he'd lost interest in her? Her doubts climbing, she decides to see if another man might do, and finds instead, through the advice of an old woman, that all she's ever needed has been with her all along.
Book 3 - MOMMY WEARS A GREEN T-SHIRT
Coralee Avery is having a baby, but the thought scares her to death. If not for Roman, her adoring husband, she'd fall apart. Yet as time goes by and their future together becomes more real, the dynamic changes, and it could be that she's the stronger one and he needs her more than she ever thought possible.

THE CORALEE CHRONICLES. by Suzanne D Williams The First of Three in this set THE GIRL IN THE PINK BIKINI Coralee had to show off her belly button, a bikini was a must have, then Roger would notice her. Been a couch and TV person, how does one get a job. Working for peanuts, and then there was Roman, since second grade, teasing me. A fist, hitting its mark, and yet, I was hired. Dad, had a different idea, pay for medical bill, then that would be the end of getting my bikini. Working along with Roman, seeing the standards he sets by being a .Christain. The lessons in young love, getting a guy who loves you, for who you are in the inside. Cute, enjoyable read. THE BRIDE WORE BLUE SNEAKERS by Suzanne D Williams Hardware store was Roman's world, and losing business. He's hired a girl to help them, so she spoke Spanish. This was an intrusion on there private world, and the green eye monster in me wasn't happy. Coralee and him been together for four years, can he take that first step. To buy a house. Coralee takes it he doesn't need her, he's now interested in other things. The wisdom of grandpa tells Roman what's going on, and what .Coralee is thinking. The surprise ending, would long be remembered, and what Mother forget. MOMMY WEARS A GREEN T- SHIRT. by Suzanne D Williams. Coralee is babbling at Roman, "you did this to me". and your cologne. Once again, we have another delightful story of Coralee and Roman. He tells her, it's not going to go away, and she replies, she was hoping it would. Coralee tells her brother, and his reply was not what she wanted to hear either. This also changes Spenser. A delightful story, as was the set of three of "Coralee Chronicles. " Suzanne's books are always enjoyable, this was funny, and one you will remember reading. Given ARC for my voluntary review and my honest opinion.
