# The Guardians Of Iceland And Other Icelandic Folk Tales

## Synopsis

Delve into a stunning collection of traditional Icelandic fairy tales and legends, some originating in the days of the Vikings. These short stories of trolls, elves with magical powers, and Hidden People have been passed down from generation to generation. Written down a hundred years ago, the stories are now brought together and updated for a modern audience, so now you too can read about the trolls who freely roamed Iceland, the race of Hidden People with strong magical powers and of the four powerful beings who still protect Iceland from invaders to this day. Packed full of fascinating myths, this collection of folklore is a must for anyone wanting to discover a world of mermaids and mermen, giants, shape-shifting seals and dragons in disguise.
