Leading & Managing Occupational Therapy Services: An Evidence-Based Approach

Synopsis

Put theory and research into practice for real-world success.HereÃ¢â ¬â„¢s your introduction to the use of theory, research, and evidence in guiding your practice as an occupational therapy manager. From leadership and supervision to policies, program development, and continuous quality improvement, youÃ¢â ¬â„¢ll find complete coverage of the full range of issues and functions managers encounter in the real worlds in which they practice. Whatever your role, the practical knowledge and the guidance youÃ¢â ¬â„¢ll find here will help you become a more effective OT, colleague, and manager.

Customer Reviews

when i returned the book i only received half of what i paid for it which is ridiculous because it was brand new and never used! so don't return the book because you will get crappy service!

Good condition! Exactly what I needed for class. Thank you!
