The Communion Of The Holy Spirit

Synopsis

The apostle Paul ends his second letter to the Corinthians with the divine salutation, "The grace of the Lord Jesus Christ, and the love of God, and the communion of the Holy Spirit, be with you all" (13.14). We as Christians come to know the fullness of the Godhead through the love, the grace and the communion, which proceed from the triune God. It is the love of God the Father that purposes all. It is the grace of God the Son that provides all. And it is the communion of God the Spirit that performs all. Love, grace and communion are all equally essential. What would love be without grace? It would have no expression. What would grace be without communion? It would be unattainable. This present volume is a compilation of messages given by God's servant Watchman Nee at various times and places. They all relate to the communion of the Holy Spirit. The first part consists of two messages on Resurrection, the Holy Spirit, and the Church. A proper perspective on the marvelous work of the Holy Spirit is therein given. The second part, entitled "The Outpouring of the Holy Spirit," is composed of six messages on the Outpouring, one message on the Holy Spirit, and the Law, and two messages on the Anointing Oil. And the third part presents four messages on Spiritual Judgment, which is the fruit of the discipline of the Holy Spirit. Such discipline gives spiritual discernment for service. May the blessed Lord who released these messages to the Church use them for the building up of the body of Christ in love.

Arrived on-time & as expected. Excellent book for the more mature Christian seeking life in the Spirit and not dull doctrine nor dead religion. Modern-day Pharisees will not like this book & will be offended.

The reading of this book resulted in an inward deliverance. Revealing self-love, and desperately satisfying the wanting for more of the self discovery before the Lord. The bringing into the way of light and clear direction out of darkness. By revelation of the Holy Spirit's discipline of the "self" to the extent that I NO longer live but Christ lives in me. Suggest reading and take notes to facilitate the recall of the underline message. Which is being ready for God's service.

Any review I could do ... would be an injustice! For the record, it is an outstanding and spiritually wholesome read! I have not read a bad Watchman Nee book. One of his books was recommended to me in the 29 Palms desert in 1988. I have been reading his works for years. In closing, the Watchman wrote from experience. He had to be in communion with the Holy Spirit ... in order to write this book. Enjoy!

Nee? Always a must read.

Excellent. I purchased this book for my teenage son who is currently active in the ministry as a preacher in training. He was directed by our pastor to get the book.

Not for the lukewarm!! Super spiritual meat! Excellent!

Watchman Nee always educates so much deeper than most. I really enjoy and learn from his works.

Very interesting theology. Very good, sound read.
