SONIC and MEGA MAN scribe IAN FLYNN has been the chief writer for Archie's popular and

record-setting SONIC THE HEDGEHOG comic for more than five years, including the headline-grabbing SONIC: GENESIS storyline and graphic novel. He is the main writer of its sister title SONIC UNIVERSE and accompanying graphic novels since the title's inception, and is also the writer of Archie's MEGA MAN series, another critical and popular hit. Flynn also helmed the historic first meeting of Sonic and Mega Man in the hugely anticipated SONIC/MEGA MAN: WORLDS COLLIDE storyline, and wrote the critically-acclaimed NEW CRUSADERS series, Archie's return to the superhero genre.

Pretty cool comic. I'm a fan of the Blue Bomber and Sonic. The plot isn't amazing or anything, but who needs a good reason to get your two favorite pals on the same page, right? I hear they're making a continuation of this. Hopefully that turns out well.

Been wanting to read this for a long time but I prefer to get a complete story and luckily I found this and I love it. I love the banter between Sonic and Mega Man, I love the friendship between Eggman and Wily. The action is great, the comedy is funny I can't wait for Worlds Collide 2 to get a complete book.

Big fan of Sonic... big fan of Megaman..I expected this comic to be just a guilty pleasure feeding off of two of my blind fandoms. Sure both series have had more than a few shares of terribad games... and shows... uh.. ANYWHO the comic is wonderful! There are parts that are predictable but come on.. its sonic and megaman that's like being shocked when the deathstar blew up. The art is gorgeous and the story [I think] is enjoyable even if you aren't a fan of either franchise!

My five-year-old absolutely loves sonic so I got him this book when it first released and he has not put it down since it arrived in the house! He has 1, 2 and this is the third. I am very happy that he is enjoying it because he is learning how to read so this encourages him to learn more and expand his vocabulary.

Great reading for my son. He loves the book very much!

thanks

My son loves it

For my grandson who is a big fan.
