My Daily Book Of Mormon Devotional - 365 Day Personal Study Guide

Synopsis

This book helps you answer two questions, “How do I make my scripture study more effective?” and “What should I study today?” It is a guide to help you, and your family, during your daily scripture study devotional. There are many Book of Mormon commentaries and study guides available that give the author’s perspective on the Book of Mormon. This book is not one of them. The great truths of the Book of Mormon, particularly those that will be of greatest benefit to you, are found by going directly to the source then listening to the promptings of the Spirit. The study guide allows you to fully customize your daily devotional based on the amount of time you have available. It is divided into seven activities: Read, Look For, Ask Yourself, Ponder This Quote, Expand Your Understanding, Personal Application, and Prayer. This format allows you to select those activities that match both your needs and your time. For example, if you find you have limited time on a particular day you may only want to read the assignment and pray. On other days you can use the additional activities to expand your study and deepen your understanding. Following this pattern of scripture study and using these tools will lead you to ponder the Book of Mormon and will help you strengthen your testimony of its truthfulness as you listen to the Spirit. Additionally, it will aid you in obtaining the blessings promised by Elder Marion G. Romney in the April 1980 LDS General Conference: “And so, I counsel you, my beloved brothers and sisters and friends everywhere, to make reading in the Book of Mormon a few minutes each day a lifelong practice. All of us need continuing close contact with the Spirit of the Lord. We need to take the Holy Spirit for our guide that we be not deceived. I am persuaded by my own experience and that of my loved ones, as well as by the statement of the Prophet Joseph Smith, that one can get and keep closer to the Lord by reading the Book of Mormon than by reading any other Book. Don’t be content with what someone else says about what is in it. Drink deeply from the divine fountain itself. “I feel certain that if, in our homes, parents will read from the Book of Mormon prayerfully and regularly, both by themselves and with their children, the spirit of that great book will come to permeate our homes and all who dwell therein. The spirit of reverence will increase; mutual respect and consideration for each other will grow. The spirit of contention will depart. Parents will counsel their children in greater love and wisdom. Children will be more responsive and submissive to that counsel. Righteousness will increase. Faith, hope, and charity--the pure love of Christ--will abound in our homes and lives, bringing in their wake peace, joy, and happiness.” (Conference Report, April 1980; 112-113) Update Notes: Edition 2 (March 2014) Contains links to the LDS.org scriptures site for each of the reading assignments. Additionally a number of minor error corrections have been made to the original edition. Edition 2.1 (17 Apr 14) Contains a significant number of

Edition 2.2 (18 May 14) Contains additional minor corrections and updates to the cross references. Edition 3.0 (15 July 14) Over 2500 hyperlinks added to the document to make cross referencing easier. Also contains corrections to a few minor errors that were found during the update and re-editing process. Edition 3.1 (24 Sept 14) Minor corrections to the text Edition 3.2 (2 Jan 15) Fixed minor errors and hyperlinks. Edition 3.3 (16 May 15) Fixed minor errors and hyperlinks Edition 3.4 (29 Dec 15) Fixed minor typos and hyperlinks Edition 3.5 (29 Mar 16) Fixed minor typos and hyperlinks Edition 3.6 (27 Dec 16) Fixed minor typos and hyperlinks

This study guide is excellent. The 365 outline to read the Book of Mormon is just what my wife and I need to start off this year. We have enjoyed the thought provoking questions at the end of each days section. I like that updates and changes have been made to this guide during the its brief time of release. It show the writers care about their product. I have recommended this to family and

friends. I would recommend this guide to anyone trying to read the Book of Mormon.

This ebook is so easy to use and helps me read the scriptures every day. Every day there's a new selection with scripture reading from the Book of Mormon. It has questions to ponder with the verses to read with the answers to help you retain and review what you learned. Then there are cross references to the Bible and other scripture. There's a quote from a prophet and a question to ponder. I read on my phone using the Kindle app. When you click on a scripture reference it takes you directly to it through the LDS Gospel app. That makes it really fast/easy. I like that it's short and doable for a busy mom. It's not overly long or detailed. I can get my study done in 5 minutes if that's all I have. Sometimes I don't love his questions because I felt there were better ones more pertinent to the devotional but overall I love it. I even wrote a review on my blog, Newspapermom!! I also think I may be related to the author. If you know him, please thank him for writing this and request one for other scripture :)

I love this personal Study guide because it divided chapters of the Book of Mormon into 365 days study of the year. I have a King James Version Bible of the Old Testament and New Testament divided into 365 days study of the year. I always wish and pray that I could have a Book of Mormon, Bible of Joseph Smith's translation version having divided into 365 too! The Lord God has answered my prayers. Thank you so much Brother Layne Packer for writing this wonderful personal Study guide! By Brother Guot Deng Ashuoth

This is a great way to enjoy reading the scriptures every day. By following the daily reading assignment, a person can read the Book of Mormon each year. The book is more Christ centered than any book on earth. It also makes the Bible easier to read and understand. I will be going through this daily study and reading book every year. Thank you for making it available!

Our family has been using this every day since January 1st and we love it! With the exception of a few scripture references that must have been typed wrong (I'm sure that will be corrected after they see a few reviews), we have really appreciated the format. First, it gives you a few things to think about while you are reading...and then it asks questions about what you have read. I appreciate that each question has the verse reference to make it easier if you need to re-read something to find the answer. I also love the applicable quotes each day from our church leaders, as well as questions to ask ourselves about what we are learning. It is a thoughtful and inspiring way to start each day. I

highly recommend this study guide.

This guide was a great help to me this past year. Each day's assignment took between 20 - 30 minutes, which included reading a few verses, pondering a few questions, reading a helpful quote from a general authority, and reading some correlating scriptures. Finally, there was an opportunity to apply the scriptures to my personal life, which I did by writing a brief entry in a journal. I'll be able to use my journal entries to compose talks in the future. The guide helped me look more closely and think more deeply about the principles and doctrines taught in the Book of Mormon.

I absolutely would recommend buying this Book of Mormon study guide. I have never before been a great ponderer of the scriptures, but the questions asked in each guide would help me to get deeper into the scriptures and to also find other questions that I could ask and ponder about. I loved the list of scriptures to read that were in conjunction with the set reading of the guide, as well as the quotes from the leaders of our Church for each set reading. Get this guide and follow it and you will definitely receive a closer relationship with Heavenly Father and Jesus Christ while learning more about the Book of Mormon.

Finally a daily scripture study guide. I'm so excited for January 1st so I can really dig into this study guide. What I have seen so far looks amazing. I feel not only will my study habits improve but the understanding of the scriptures as well.
