Mrs. Charles Cowman knew well about life's dark valleys. She knew, too, about God's living waters that bubble up in their midst, bringing refreshment and joy to the thirsty traveler. In *Springs in the Valley*, she shares cool draughts of wisdom and insight into God's character, drawn from the Scriptures and purified through a lifetime of experience. This classic daily devotional is sized and formatted to complement the Zondervan Classic edition of *Streams in the Desert*.

The late Mrs. Charles E. Cowman wrote the beloved, classic devotional *Streams in the Desert*. She served with her husband in Japan as a missionary until his illness forced the couple to return to the United States

This book's title is exactly what it does for you! Over 40 years of reading may devotionals I rate this in the top 5 which is a powerful endorsement!!

Great daily devotional, but it is written in the old King's English and at times is hard to follow. However, about every 3rd or 4th day there is such a great truth that I get amazed at this book and its writers. I highly recommend this book and a partner daily devotion to *Streams in the Desert* by the same author.

I have always loved the original edition of this devotional, and wasn't keen on "updated" versions. "contemporary" versions of other classics have not only changed the pronouns ("thee" and "thou"), but have watered down the thoughts completely as to lose the spirit (or should I say Spirit) of the original. So I've always stuck with my old publications. However, whenever I wanted to look for something, I had wished there were electronic copies of the original version to search. Lo and behold, this is it! Now I love it even more than my worn-out hardcover because I can highlight and search to my heart's content!

Just a beautiful book. Inspiration abound.

After purchasing Mrs. Cowman's first book, *Streams in the Desert*, I discovered that she had compiled and written another and immediately looked to see if I could find it for my Kindle. The only problem I have with this book is that I don't want to stop with just one day's devotion! Her thoughts, prayers and the poetry quoted is timeless...as relevant for daily life today as it was when it was written some eighty years ago. It is an uplifting collection of her thoughts and prayers and I am thankful and honored that I can share in those conversations between she and Father. I heartily recommend it to anyone who wants a daily devotional to start their day with Hope!

In this follow up to her classic *Streams in the Desert*, LB Cowman continues collecting the writings of her contemporaries who keep the focus that it's all about God not us - a message so absent in today's "me" -centered culture. Understanding this truth, helps us put the joys & challenges of this life in perspective.

So wise. So helpful for those who are struggling to sometimes "hang in there" for one more day.

Love, love this book! Very inspirational!
