Customer Reviews

I originally bought this for my sons birthday so that everyone who attended the party could sign each page. This book comes with a preferrated crown that he can wear, stickers, AND a "Pin the nose on the Elmo" poster that includes 4 noses you can take out. It's the ultimate birthday book. I was very please :)

Really cute book, had a lot more to it. Had a crown, several stickers etc. and was cute. Used it for decoration on the Elmo table with several other decorations. When finished with the party the birthday girl who was 2 got to take it home.

I bought this for my daughters 2nd birthday party. She really enjoyed the pin the nose on Elmo. We didn't blind fold her, we had adults close their eyes, spin around, and try to put the nose on. She had fun seeing that and then fixing Elmo's nose. Like other reviewers mentioned, we used the book as a

guest book for the party. Family members liked the idea of writing her a birthday message in it.

I bought Elmo's Birthday Book for my grandson's second birthday and he just loves it. I have read it countless times in one sitting. He loves to fill in the words when Elmo's mom is making the cupcakes; she pours in the "milk" adds the "flour" etc. etc.. My daughter put it away for his next birthday and I am sure he will love it just as much on his third birthday!

Our 2 year old grandson loves Elmo & really likes the book. Especially fun was the "pin the nose on Elmo" game for his party. A great book.

It is an adorable book. Really cute story and my granddaughter loved it. The Elmo game is perfect and was a big hit at her party.
