Are you ready With devotions for kids to read alone-or together as a family-"The One Year Book of Devotions for Kids #2" gives you what you need for a great time with God! These stories-some funny, some serious-are taken from "Keys for Kids, " the bimonthly story magazine from CBH Ministries, which has been reaching families by radio for many years. Each day's reading includes these features to enrich your child's devotional time: A Bible passage that sets up the day's theme A contemporary story that shows the passage being applied to real-life situations A "How About You?" section that asks children how the story and Scripture apply to their own lives A Bible memory verse for each day A "key"-two to five words that keenly summarize the message of the day In addition to the daily readings, you'll find indexes for Scripture readings, memory verses, as well as selected topics such as making new friends, praying, fear, doing right, thankfulness, and many more.

When my sister passed away in 1991 I found a paperback Keys for Kids in her hospital room. It is a daily devotion for children. I took a subscription for several years. I followed up every children's church lesson with one of the daily devotionals. I found one that pertained to my topic. If the children did not get the point through my lesson or Bible story they picked it up through the daily devotional. I equate it to modern day parables. The books point have a topic index as well as scripture index to make it easier to find a devotion to conclude your service with. I have two books and I kept my old paper backs as well. Excellent resource for teachers. ALSO you can order the Jan/Feb. paperback edition from the publisher and give them out to the children as Christmas presents to encourage nightly devotions. (Paperback subscriptions are still available.)

Excellent book which we're using for our 12 year-old who just told me "I like it!" This uses real world situations and appropriately places them in biblical perspective. These aren't lengthy but are interesting and substantial enough to leave useful impressions and begin other discussions. Not to forget that this is reusable for another year!

My daughter is 9 and we wanted a little more from a devotional than a 30 second story. This devo gives them bible passages to read, to think on, to memorize as well as a story that relates. A good choice.

Best devotional around by far!!!!

This book was the best book for my ten year old daughter me and her have never been closer she now knows more about God than ever

Great bedtime devotional for my son! Many of the daily devotionals are totally applicable in today's world!

Just as described. Nice short reads.
