Customer Reviews

My 4yo toddler is absolutely in love with the Franklin books. They are beautifully illustrated and they are the perfect length for a bedtime reading. You can stop and discuss these stories with the young kid and relate them to real life behavior and they are a great teaching tool. I can always use Franklin and this story as an example when trying to convince him to keep his play area tidy..

I think all kids could use this book! May have to learn the lessons myself.

You can't go wrong with a Franklin book!

As expected
