The Jesus You Can't Ignore (Study Guide): What You Must Learn From The Bold Confrontations Of Christ

Synopsis

Do you want to learn more about who Jesus really is? In *The Jesus You Can't Ignore*, author and pastor John MacArthur reintroduces a critical aspect of the Savior that has seemingly been forgotten. Yes, the Savior tenderly held little children in His arms but He also violently overturned tables in the temple. He gently touched a blind man's eyes but He scourged pompous thieves with a whip. His words soothed grief-stricken parents and angered the religious establishment of His day. Because some prefer the meek and mild Jesus, it's become commonplace to ignore the fullness of the Savior. In this study guide, you will dig deeper into the Savior as He truly is, gaining the lifelong impact of knowing His character and His ways using the following tools: Probing questions for personal reflection Multiple-choice exercises to get to real answers to your questions Deeper discussions of the biblical text and cultural context of Jesus' day Rewind, reflect, and react sections to increase your knowledge and inspire new action. Verse by verse, John MacArthur unpacks the Jesus Christ the Bible presents. Page by page, you will reach new conclusions about the Jesus too often overlooked. Discover a vivid portrait of the Messiah as He really is!

This book is a major reminder that Jesus did NOT put up with false teaching and was not timid when calling out false teachers. We have many churches with pastors who do not teach from the bible but rather from the political winds blowing today. A good read for anyone who wants the truth!

There are two sides of Jesus, the one that is warm and giving and doing everything in His power to show you what He has to offer, why He came, why you should accept Him - the story of the woman at the well is one of the best examples of this Jesus in all of the Bible. The other side is the in your face Jesus that will not let the lying, cheating and stealing of the ruling class Jews of His time go unanswered. ALL of the confrontations between Him and the Sanhedrin Jesus started. They had been lying to His people for so long that they were more than a little put off with his behavior, so much so that they crucified Him. However, He did arise from the dead on the third day and is now seated at the right hand of His Father in Heaven.

John MacArthur, pastor of Grace Community Church, furnishes a portrait of Jesus Christ which includes the gentleness most Westerners know and the steeled attitude most are not aware of. Moreover MacArthur reveals the holy and uncompromising Lord of truth in the words and life of Jesus. He quotes and expounds numerous bible passages that reveal this tough and righteous aspect of the person of Christ. The author demonstrates from scripture that Christ:- Rebukes men hardened in willful sin- Corrects people trapped in error- Commands men to repent and find forgiveness- Claims to be the only way to the Father through His vicarious atonement and vindicating resurrection. This is an important book for our times. So many in the secular world and the religious world attempt to portray Christ as a nice guru with a flower in his hair who never spoke a harsh word. MacArthur makes a consequential advance in revealing the biblical Jesus Christ as Lord and Savior. This volume makes a notable gift for your pastor or loved-ones.
