Stan and Jan Berenstain introduced the first Berenstain Bear books in 1962. Mike Berenstain grew up watching his parents work together to write about and draw these lovable bears. Eventually he started drawing and writing about them too.Â Though Stan died in 2005, and Jan in 2012, Mike continues to create the delightful Bear adventures from his studio in Pennsylvania, in an area that looks much like the sunny dirt road deep in Bear Country.

This book is well done, but I have discovered I am not a Berenstain Bears fan. They make the father look like a childish imbecile, often less responsible and respectful than the children. In the regular

books it is a little off-putting, but in a book about following the words of God, it is just wrong.

My child asks for one of these stories each night. Each story has a nice moral/lesson that my 4 year old can identify with. My only complaint is that there is no table of contents so you have to flip through quite a few pages to find where each story starts. Not a huge issue, but not ideal.

Books make great stories for my children. Great Goddly and moral values reinforced! I definitely recommend these stories. They are one my kids favorites.

My 5 and 6.5 year old love these books (I love that they have good values and they are Christian books)

Superb children's books.

I grew up reading all of the berenstein bears books so I happened to see this in our grocery store and thought surely I could order it on while purchasing other things. I love it!!!! I love that it is all the good lessons to learn books! I purchased this for our little boy for christmas, but now I plan on buying more as birthday/christmas presents as well!!!

My kids love the stories in this book, and I love the good morals that it teaches them. Kindness, sharing, giving, loving...all are qualities I want my kids to have, and I am so glad this five book series has that.

Thank You!
