ARTS LAW CONVERSATIONS: A Surprisingly Readable Guide For Arts Entrepreneurs

Synopsis

Copyright. Trademark. Contracts. Lawyers. Courts. Nonprofits. Help! Artists, writers, musicians, filmmakers, designers...businesspeople... face these legal issues every day. We all create, and we all consume the creative work of others. 52 short, understandable Conversations, featuring characters in real-life situations, will help readers spot and understand the legal issues that too often cause creators and consumers alike to roll their eyes and use bad words. You'll get it. You might even laugh. This book has been called an essential reference. It is. The book uses a humorous, storytelling format. It is organized sequentially for classroom use; includes exercises for reinforcement and further study. It's fully indexed (keyed to the print version) and has an extensive glossary. So teachers: use it as your textbook! Arts Law Conversations is divided into four sections: Navigating the Legal System; Intellectual Property; Contracts; and Business Issues You Might Have Overlooked. Arts Law Conversations won a gold medal in the 2014 Independent Publisher (IPPY) Awards; a bronze in the 2014 INDIEFAB Book of the Year awards (reference category); and was a finalist in the 2014 USA Best Book Awards.

Customer Reviews

Text book.

I am so glad that I purchased this book. Elizabeth Russell clearly communicates sophisticated legal concepts in very simple terms. Even more importantly, she raises the level of awareness of "whoops, I really need to consider this". If you only ever buy ONE book on artists' legal matters, this is IT!
