Criminal Procedure (Quick Study Law)

Synopsis

Criminal procedure law following an arrest for a crime is complex for a number of reasons—most notably to provide the accused with the minimum protections under the law. The right to counsel and a speedy trial and the freedom from unlawful search and seizure and self-incrimination are all based on the Bill of Rights and applicable to all American citizens. Whether you are a law student or a practicing attorney, our newly updated, three-panel Criminal Procedure QuickStudy® guide has the latest statutory and precedent information to keep you up to date. Check out BarCharts' companion guide, Criminal Law, too!

What BarCharts are NOT: a comprehensive study guide. You cannot do well on a law school exam or bar exam relying solely upon BarCharts. That is not their purpose. What BarCharts ARE: a condensed overview of the black letter law. Use them as a quick reference to understand the material during the semester. Use them as a REVIEW of the material you (should) have already studied for the exam. In law school, BarCharts were the last thing I skimmed over before taking an exam. It's a good refresher. Same with the bar exam. I skimmed over my BarCharts both nights before the exam.

The Quick Study series is strong, with Criminal Procedure, Criminal Law and Constitutional Law

standing head and shoulders above the rest as the strongest laminates of the series. These cannot replace the actual text or class material, but they come close. More importantly, what they do remarkably well is to give you a general overview and guide so you can understand where the material is going. Similar to the artist's technique where you have to create a vague rough sketch to understand proportion and relevance, these allow you to understand the significance of minutia and detail in the bigger schematic. Also great refresher if you are return after a long time away and your own notes don't make sense anymore. For the gunners out there, the laminate surface also makes these perfect to buy a second set to keep in the kitchen or bathroom for those "leisure time" study sessions.

Great for last minute cramming! Got a B+ in this class. It really helped me organize my flash cards, I definitely recommend!

Excellent resource. Goes along with the resource on Criminal Law. Learn the terms and step by step process in a criminal process.

Brief but very informative.

Helpful quick source of review.

This is a great compliment to my class notes. It has a quick few lines about each topic, and the cases that gave the standard. Very useful when studying for my closed-book exam.
