Customer Reviews

Beat the devil at his own game and wage warfare with confidence! There is a spiritual battle going on, and prayer warrior and intercessor Cindy Trimm has given you a manual to wage effective warfare. The Rules of Engagement helps you recognize the spirits that operate in the kingdom of darkness and gives you declarations for engaging them armed with God's power and authority. It is time to take a stand against the powers of Satan. Using the authority you have been given by God, you can enter the realm of prayer-power where... Strongholds of the enemy are shattered. Households, neighborhoods, and cities are radically changed for the good. Situations that once meant defeat are turned into victory. The enemy loses his power over your life. Your true authority as a believer is unleashed.

Cindy Trimm is a charismatic, motivational speaker, preacher, teacher, and former senator in Bermuda government. She travels approximately 48 weeks a year, speaking and doing conferences. She is very motivated, energetic, aggressive self-promoter, and very interested in

getting published books to round out her products. Author is relationally positioned with many well-known Christian leaders (Wagner, Tims, Jakes, Bynum).

The book was a great success in my spiritual warfare. Although not for everyone, unless called by God to war in the spirit. God said He would guide you with His eyes. Meaning you will take notice in what He wants you to see. I thank My God for choosing me to be a pray warrior. I believe God will raise up many to His cause!

Cindy Trimm will take you deep into the spirit realm to battle demonic forces. She not only identifies principalities but she equips you to go into battle and to exit victorious. The prayers are fervent and will spiritually cleanse you and the atmosphere where ever you go. The spirit of truth abides in this book. I repeatedly go back to certain chapters in this book at least once a month. This book is not for entertainment but is a weapon in the hands of the Saints.

This book is excellent for anyone who is trying to grow spiritually and needs a course in spiritual warfare.

Really works, the warfare prayers cover everything that needs to be covered, great explanations.

This book helped me get stronger in God. I realized what I was battling generationally and was able to gain a lot of knowledge. Super book! It also has prayers in it that are sound scripturally. You can't pray amiss if you are praying the scriptures. Dr. Cindy Trimm is a blessing to the Kingdom! I have given these books away over and over.

This is a powerful book. If you want to increase your prayer life, learn how to take charge, do battle in the spiritual real, then this book is for you. I've read this book three years ago, and it has changed my life. This book is for those who seek a deeper walk and understanding of who they are in Christ. I have brought several copies of this book to give to my friends and once they began reading it, they would call me back and say WOW, I didn't know that I could pray like this, a boldness rose up in me. thanks sis.

This is a very strategic book for battle if you are serious about regaining your life, family, and any other valuable loss that has been obtained through ignorance or simply ill religious practice. It

teaches you to get down right personal with your ultimate enemy, and get back what he has stolen from you. It encourages you to FIGHT, the good fight of faith and not to give up. The devil is strategic in his plans for the body of Christ, we have to be strategic in our art of defense and protest. Be blest Dr. Trimm in all that you do for the Kingdom of God.

This book should be a collectors item for all believers. We are all tested and tried in life. Whether we are tested personally or watching a loved one go through. This book will help you war in the spirit where change takes place. My husband was going through a terrible attack and this book helped me to pray for him in a way I have never done before. Thank You Lord for a book to help your children win against the devil's schemes and attacks! Cindy Trimm stay steadfast with the Lord!
