Eyewitness Travel Guide To Warsaw

Synopsis

The guide that shows you what other travel books only tell you! From its galleries to its landmark churches, more than 800 full-color photographs capture the capital of Poland in DK's Eyewitness Travel Guide: Warsaw. Street-by-street maps and illustrated 3-D aerial views direct you to key attractions such as: the Royal Castle, St. John's Cathedral, Old Town Market Square, the Grand Theatre, the Palace of Science and Culture, the Path of Remembrance, and the National Museum. Three scenic walks take you along the Left Bank of the Vistula River, through the green parks of Jazdow and Powisle, or around the Saska Kepa district. Additional chapters showcase Warsaw's remarkable history, some of its famous residents, and day trips from the city. If Warsaw is your destination, add this entertaining and informative guide to your shopping list.

Best Sellers Rank: #236,872 in Books (See Top 100 in Books) #3 in [Books > Travel > Europe > Poland > Warsaw](#) #13 in [Books > Travel > Europe > Poland > General](#)

Customer Reviews

With the motto "guides that show you what others only tell you," this guide does just that with lavish color photos, cutaway drawings, an excellent indexed city map, engaging page design, and a nose for the best of the city's offerings. Copyright 1999 Reed Business Information, Inc.

...You feel, looking at them, as if you could close the book and step into the street. -- Contra Costa Times ...considered to be the world's best travel resource to over 30 destinations around the world, make it easier to plan a splendid vacation. -- North American Press Syndication Both novice and experienced travelers will be captivated. -- US News & World Report Each book is a visual as well as informational feast about a particular place. -- The New York Times Easily the best city guides

available today. -- PLAYBOY Encyclopedic in scope, it's meant to be used before, during, and after your stay. -- Travel & Leisure The Best Guidebooks Ever -- SKY MAGAZINE The best travel guides ever. -- Sky Magazine -Delta In flight Magazine The most graphically exciting and visually pleasing series on the market. -- Chicago Tribune Want to know where to get a great espresso on your way to the Uffizi? Or how much to tip a hotel maid in New York City? Try these travel guides, each an intricate trove of 3-D aerial views, landmark floor plans, color photos and essential eating, shopping and entertainment info. With titles covering Paris, Prague, and London, these pocket-sized guides are like a Michelangelo fresco: deliriously rich in detail. -- People Magazine

I'm leaving Sept. 2 for a 2 week vacation in Warsaw, Crakow, Budapest, Vienna, Prague, etc. This book will be in my carry-on luggage. So many things to see and do! I love all the pictures; suggestions where to eat, what museums to visit, etc. This book is like the Bible for Warsaw! I can't wait to experience Warsaw! I know I won't be disappointed.

For those who travel and want the best books of their destination, DK Eyewitness books are the best source of information out there. With their glossy pages and colorful pictures, you actually see things you may have missed at the actual sight.

Great Guide book. Beautifully done with the sections of the city cut up and fully explained with street maps.

Spent two years in Europe and can only wish they had these books for every major city. But about Warsaw - excellent detail, highlights, and places to visit along with hotel listing. The highlighted areas are so well documented and photographed you may not need to take pictures of everything you see (especially the photo areas). But the detailed/cut-out section maps of certain structures/features get you there quickly instead of having to search around and wasting time. This book will save you time and energy looking for items that are only "written" - (i.e. Fodor's) examples - such as in the back corner of this building there is a statue from the 12th century. That doesn't do much when there are 5 statues and the book doesn't tell you which one. DK shows exactly where it is and detailed info about. The walking tours are highly encouraged. Well worth it. The maps and restaurants sections are somewhat outdated but with changes occurring everyday in Poland/Eastern Europe - you can't fault the publishers. Street names change as new buildings are constructed or just renamed to replace former communist names. For the hotel section - may not be the most detail but I tell you what - you

get a name, location and price range - anything else get on the Internet and do a search on your hotel and that should complete all travel arrangements. Had no problems staying in the hotels listed in this book - even with the lower 2 star hotels. The publishers do their homework when it comes to hotels (but if you want more detail - the Internet is there) Will never use another tour book again - DK is the only way to go. And you'll see about 70% of other visitors using these books - even other Europeans visitors to Warsaw. Top notch!

delivery on time receive it next day . send it to my boyfriend , low price and high quality. Received as described. Sturdy, well balanced, great value

Dorling Kindersley guides are the best. Have several of them including this one and the Poland guide. I highly recommend the Poland, Warsaw and Cracow guides for anyone going to Poland on their next vacation or business trip !!!!!Lots of beautiful photographs and the descriptions of points of interest are not too lengthy (a good thing) but to the point. This is definitely THE guide for the harried tourist.

Just recently returned from Poland and Warsaw. Found the guide very good after the fact for putting together a pictorial of my visit. Could not remember all the sites I had seen but the book had them all. I wish I had purchased this book before my visit, it would have helped immensely. Covers with history and detailed descriptions of every possible thing that you would care to see and visit.
