Excellent way to fellowship. Book provides ideas of dinner, a movie, and depending what movie you decide, a possible group discussion

After a number of years of doing many small group lesson books, this was a great find for our small group. Watching an excellent movie in light of its relation to Christianity was a great evening, and the scripture verses and questions allowed for good discussion following the movie. We plan to watch one movie every month, and I have a feeling other small groups in our church are going to want to do this too as word gets out. Highly recommend it and we can't wait for our next movie night!

Our church started using the ideas in this book for our own "dinner and a movie" events. We really enjoyed cooking together, watching the movie and discussing the Christian themes. This promotes great fellowship!

This was a perfect find for a friend of mine who loves to entertain and is very religious.
