"Sheri Rose Shepherd is a leading voice for women today, an authority on all matters of the heart." —Karen Kingsbury, New York Times bestselling novelist of *Coming Home* and *The Bridge*

Sheri Rose Shepherd is an award-winning author with over one million books sold. Her life experiences help her to identify with almost any woman's battle. She grew up in a broken home and was severely overweight as a teen; she also experienced depression, dyslexia, and an eating disorder. Through God's strength, Sheri Rose has become a popular speaker at events nationwide, including Women of Joy and Extraordinary Women.

"Delight yourself in the Lord, and he will give you the desires of your heart." ~ Psalm 37:4 It is sometimes true to say that we don't know the desires of our hearts until we figure them out by trial and error. But once you start getting those desires life can become very magical. It is almost like God knew what we wanted and set up experiences to get us to a place of love and joy. Of course sometimes the road is a bit more difficult and we have to overcome immense obstacles to get our heart's desire. This book is written for every woman and has many touching stories which brought me to tears. I loved the wise advice and the straight talk about various issues. There is a good section on how to raise a son to be a godly man. This book also gives women strength to fight the many spiritual battles they will have to endure. At times the book is a bit of a confessional as the author tells about her mistakes and struggles and how God worked through them to make her a better person, leader and speaker. What I liked at the end of each short chapter was the beautiful prayers to God and the beautiful letters from God and Jesus. Those letters were very calming and meaningful. By the time you have read through this whole book you will have become a better person, more equipped to deal with life as it is thrown at you. I highly recommend you read and learn from the mistakes the author made so you don't make them yourself. This is an ideal way to learn. ~The Rebecca Review

This book is pretty deep. It touched me in ways I really couldn't figure out. It will be one of those books you just have to go back to every now and then to get back in touch with ourselves. Can't express how much Jesus used this book inside my inner soul. Thank you for writing it. Thank you for my friend Mary for mentioning it on FB. This book is EXCELLENT!

This heartfelt book relates to moms, singles, and married couples. There is a video that you can watch online after you read the chapter and this woman does a great job. I bought this book for two different friends. A great read for anyone attempting to become a better mom or wife. Amazing!
