When Sean Tiffany was growing up, he lived on a small island off the coast of Maine. Every day, from sixth grade until he graduated from high school, he had to take a boat to get to school. When Sean isn't working on his art, he works on a multimedia project called "OilCan Drive," which combines music and art. He has a pet cactus named Jim.

My son loves the Jake Maddox books. We like how there are a variety of sports offered in his

books.

This books was purchased with middle school students with a sports interest but read at a lower reading level. It has worked out perfectly. We have reluctant students coming back saying it is the first book they have finished since 4th grade.
