Bought this because it got great reviews and it was a gold box special of the day. I think it was around \$5.00. I thought that was a great price, so I bought a few to have on hand for gifts. I am soooo glad I bought a few! This is my granddaughter's FAVORITE book and has been since she

was 6 months old (she is now 18 months old.) She would SERIOUSLY sit in my lap at six months old and listen to me read it over and over multiple times. She still does...a year later! Unfortunately, she got hold of the book one day when no one was looking (because it's her favorite!!) and she tore a few of the pages. That is why I am so glad I bought the extra copies! I would never have believed such a young child could have such a strong preference for a book, but she certainly does! She also LOVES all the other books I have since purchased by this same author. The bright colored, simple illustrations in her many "lift the flap" books are sure to delight your child as well! I highly recommend this book and any other by this author!

Wonderful little book. I included it rather than a card with a baby shower gift. I loved how the parents can write baby's name and birth information in the beginning to personalize a book to be lovingly read over and over again.

Gift for my newborn Grandson. Nice book and good sturdy quality.

Cute book to welcome baby. Works with quilt theme....Elephants

Great baby book for a newborn.

Cute book. I gave it to my daughter and son in law to use as a guest book at the hospital. It was a hit

Love it. Great shower gift.

Used this as a guest book for a baby shower I was throwing. It was so sweet!
