Arctic Animals (Who's That?)

Synopsis

He has big antlers, runs fast on hoofed feet, and likes to eat plants. Who's that? Is it a polar bear? A seal? No—it's a reindeer! Children will love guessing which arctic animal they'll find beneath the flap, including a walrus, fox, and snowy owl. A final spread features all the creatures included in the book having a polar party.

Educational and captivating for the wee "readers".

Kids loved guessing what was under the flaps.

We brought this book on a cruise to Alaska and our 2yo loved the flaps and looking for the animals on our adventures.

Unfortunately I got a copy that is missing a page (the reindeer) and has two of the last page, and

didn't realize it until after my return window had closed. But otherwise it's a cute, sturdy book.

Very nice book. I am using it in my PreK classroom for an Arctic unit...its too cute!

Cute Book!

Great book. Kids love it!

The students loved this interactive book.
